Technical Data Sheet

Permatex® Fast Orange® Hand Cleaner

AAM Revised 10/02

PRODUCT DESCRIPTION

S.I.N.: 834-300

Permatex® Fast Orange® Hand Cleaner is a natural, biodegradable hand cleaner containing no petroleum solvents. It cleans hands with d-Limonene, a solvent extracted from oranges. This hand cleaner has a fresh citrus scent and contains no artificial fragrances. Both the cream and lotion formulas are available in smooth or pumice. Fast Orange® Hand Cleaners contain aloe vera, lanolin, glycerine and jojoba oil for skin conditioning.

PRODUCT BENEFITS

- Removes grease, grime, oils, soil, gasket cement, epoxies, glues and inks.
- Cleans without water.
- Contains biodegradable surfactants.
- Won't clog drains.
- Contains aloe vera, lanolin, glycerine and jojoba oil to keep hands smooth.
- Pleasant smelling.
- Lotion formulas available in no waste/no clog self dispensing containers.
- Cream formulas, thicker than lotion, may be self dispensed or used with problem-free, push type dispenser.
- leaves hands smooth, not sticky.
- Withstands multiple heat/freeze cycles.

Fast Orange® has the special feature of cleaning without the use of petroleum solvents. The smooth lotion formula is best for sensitive hands. The pumice lotion has extra fine pumice which cleans deep into pores but more gently than other coarser pumice hand cleaners.

DIRECTIONS FOR USE

1. Rub hand cleaner into hands (do not use water) until dirt and grease is dissolved.
2. Wipe with dry cloth or rinse with water.
